

# Refyn: Accessibility Statement

**Effective Date: July 12, 2025**

Refyn, operated by, is committed to ensuring that our application and website, refyn.art (the "Service"), are accessible to the widest possible audience, regardless of ability or technology. We strive to provide an inclusive digital experience for all users, in line with the Equality Act 2010.

## 1. Our Commitment to Accessibility

We believe that everyone should have equal access to information and functionality online. We are actively working to increase the accessibility and usability of our Service and adhere to many of the available standards and guidelines. Our goal is to meet the Web Content Accessibility Guidelines (WCAG) 2.2 Level AA standards, which are widely recognized international standards for web accessibility.

## 2. Accessibility Features and Measures

We are continuously working to implement and maintain the following accessibility features:

- **Perceivable:** Ensuring that information and user interface components are presentable to users in ways they can perceive, including providing alternative text for images, captions for videos, and transcripts for audio content.
- **Operable:** Making sure user interface components and navigation are operable, including keyboard navigation for all functionalities.
- **Understandable:** Making information and the operation of the user interface understandable, including clear and consistent navigation, readable fonts, and logical content structure.
- **Robust:** Ensuring content is robust enough that it can be interpreted reliably by a wide variety of user agents, including assistive technologies.

## 3. Known Limitations and Areas for Improvement

While we strive for full accessibility, we acknowledge that some areas of our Service may not yet be fully accessible. We are actively working to identify and address these barriers. Our ongoing efforts include:

- Regular accessibility audits and testing (both automated and manual).
- Training our development and content teams on accessibility best practices.
- Prioritizing fixes for identified accessibility issues.

## 4. Reporting Accessibility Issues

We welcome your feedback on the accessibility of Refyn. If you encounter any accessibility barriers while using our Service, or have suggestions for improvement, please contact us. Your input is invaluable in helping us improve.

**Contact us at:** ryzomi@gmail.com

Please provide as much detail as possible, including the specific page or feature you are having difficulty with, the nature of the problem, and the assistive technology you are using (if any).

## **5. Conformance Status**

Refyn is working towards conformance with WCAG 2.2 Level AA. We are committed to making continuous improvements to ensure our Service is accessible to all users.
